

CAPABILITY STATEMENT

Training Solutions for *your* Business

WHEN EVERY SECOND COUNTS

WHO WE ARE

Time Critical is a Perth based registered training organisation (RTO 51503) licenced under the Training and Accreditation Council (WA). We are privately owned and many a years of experience in providing quality first aid training.

Time Critical has continuously evolved to become broadly recognised as a preferred provider in delivering nationally accredited training in CPR and First Aid.

With our collective team expertise, we pride ourselves on the best possible standard of training delivered by Trainers that have sound clinical experience and national training qualifications. We empower our learners with the skills and confidence to apply first aid.

Our pursuit of excellence stems from repeat or referral-based business that results from strong client relationships and our ability to deliver a simplified service with integrity. Our success is demonstrated through our long-term client relationships with small, medium, and large-scale businesses.

HOW CAN WE HELP YOU

Time Critical is a “business solutions provider” that delivers end-to-end services in all aspects of first aid a training. All courses can be contextualised to your specific industry that will enable your workforce to walk away with the confidence and skills to apply first aid in their working environment.

We understand that not all businesses are the same and our courses are customer focused and flexibly designed to meet your specific requirements. Courses can be delivered at a time and in a location best suited to ensure the needs of your business is met.

With group training delivered during the day, evening or weekends, you receive exactly what you require, when and where you need it.
